

## Products and Plans

### [Commercial Auto](#)

Whether you own delivery vans, service trucks or just a handful of mid-class sedans for employee travel, Commercial Auto Insurance through **Empire Risk Solutions** will give you valuable protection against the liability upsets that could potentially stake a claim on your business assets.

### [Property and Liability](#)

If you're looking to insure your business property and protect yourself from the general risks that come with running a business, like employee dishonesty, Empire Risk Solutions offers a convenient choice between individualized or package insurance policies.

### [Specialty Insurance Programs](#)

You may share common insurance needs with other businesses in your line of work. Drawing on our extensive history in commercial insurance, Empire Risk Solutions has developed Specialty Insurance Programs that offer an industry-targeted solution to your unique needs.
